PERFORMANCE MARKETING EXPERIENCE

Meta Ads Strategist & Performance Marketer

E-Commerce & Digital Growth Projects | Remote

2024 — Present

- Architected and executed full-funnel **Sales, Conversion, and Engagement campaigns** on Meta (Facebook & Instagram), consistently generating **1.8% to 4%+ CTR** across tested ad sets.
- Configured **Meta Business Suite** assets, connecting Facebook Pages, Instagram Business profiles, Threads, and WhatsApp Business infrastructure to streamline omnichannel lead routing.
- Implemented **Meta Events Manager & Pixel integrations** on Shopify and custom-coded websites, verifying custom conversion events and resolving data transmission drops via Diagnostics.
- Deployed **Advantage+ audience frameworks** and strategic lookalike/interest exclusions, matching buyer intent and consumer psychology to lower cost-per-click (CPC) metrics.
- Built and maintained dynamic **Commerce Manager product catalogs & product sets**, syncing store inventory smoothly to run automated dynamic product ads (DPA).
- Expanded multi-platform acquisition by running **TikTok Sales and Awareness campaigns**, setting up TikTok Events Manager and tracking tags for cross-channel testing.

CREATIVE STRATEGY & ANGLE TESTING

- Use-Case Problem Solvers:** Engineered hook-driven ad creatives demonstrating core product solutions, features, and before/after transformations to overcome purchase friction.
- Lifestyle & Aspirational Positioning:** Developed emotion-led creatives, social proof showcases, and aesthetic brand storytelling to boost perceived product value.
- Multi-Format Iteration:** Produced and split-tested **AI-generated influencer videos, carousel ads, owner-led demonstrations, and voiceover commercial ads** to combat ad fatigue and identify winning angles.
